CITY GAS OFFICE,

Eooms Nos. 5 and 6, City Hall,

Alexandria, Va., April 14, 1898.

Owing to the large amount of money due the city of Alexandria by coke and gas con-

sumers it has become my duty to make im-mediate efforts to collect all outstanding bills I therefore notify all gas consumers whose bils are not paid by SATUEDAY, April 23d, 1848. that the metres will be at once removed from their premises and the supply of gas cut off, and the collection of all outstand-ing bills enforced. I have no authority to credit coke, and hereafter it will not be sold

except for cash.

The attention of gas consumers is called to the following law:
AN ACT TO REDUCE THE PRICE OF GAS AN ACT TO REDUCE THE PRICE OF GAS.
Section 1. Be it enacted by the City Council of Alexandria, Virginia, That from and after the 1st day of March, 1896, the price of gas shall be reduced to one dollar and forty cents per 1,000 feet, with five per cent discount for prompt payment; but no discount shall be allowed on any gas bills unless paid on or before the first day of the succeeding month in which the state of the meter is taken, and when not paid within ten days after that date the Clerk of the Gas shall cut off the supply of gas.

off the supply of gas.

The law gives me no authority to grant any indulgence, and its non-enforcement in the past has led to too many perplexities to permit its further violation.

This notice is issued with the approval and on the authority of the Committee on Light.
